---

This matter came on for consideration of the Receiver's Motion to Approve Partial Sale of the Archbold Entities to Indiana Packers Corporation (IPC). The Court has reviewed the Receiver's First Status Report, its current motion and memorandum and the proposed agreements with IPC. The Court notes that the Receiver has involved all of the parties to this lawsuit in the negotiations with IPC and the Court notes that all parties consent to this motion. The Court believes that the Receiver's Motion is well-taken and should be granted for the three reasons stated in the memorandum accompanying said motion.

Therefore, it hereby ordered, adjudged and decreed that the Receiver's Motion to Approve a Partial Sale of the Archbold Entities' business to IPC is found well-taken and is hereby granted. The Receiver is ordered to sign the proposed agreements with IPC and to take all action necessary to implement and give effect to the transactions described therein.
