This report will summarize the Receiver's activities since the filing of its Eighth Status Report on January 12, 2012.

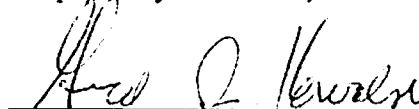

The activities of the Receivership continue to wind down. The title problem with the O-MI-O property has been resolved. The dispute over the easement and the title cloud issues on the Kainos Nursery have been resolved and the closing on that transaction is occurring today.

The accountants retained by the Receiver are in the process of preparing a final accounting.

The Receiver has been unable to obtain the consent of the secured creditors as to the status and priority of distributions to them. The Receiver has filed a motion for instructions with the Court to resolve that issue.

The Receiver continues to collect remaining receivables. The Receiver will be seeking instruction from the Court for a plan for document storage once the Receivership has been completed.

Respectfully submitted,

Gerald R. Kowalski, Receiver
