

**United Way Day of Caring
Sparrow's Nest**

September 3, 2008 proved to be a day of caring, sharing, and lots of work for the staff at Cooper & Walinski's Toledo office. We were proud to participate in The United Way's Day of Caring by spending the day at Sparrow's Nest, the women's residence for the Cherry Street Mission. Thirty-two attorneys and staff members cleaned, folded, stacked, labeled, counted, and bagged the many supplies it takes to run Sparrow's Nest.

C&W also provided lunch for Cherry Street residents and staff and for the C&W volunteers. It gave us an opportunity to spend some time individually with women struggling to rebound from personal difficulties.

It was an exciting, exhausting, and very fulfilling day.
